Eric,

I will run some options past the LWG and get back to you with a recommendation. Thanks, Jim.

Jim, how much time do you think we need for the milestone meeting? I propose a 8:30 - 12:00 meeting time. We can start as early as 8:00 am or go as late as 1:00 pm if you think we need more time. We are having our MOU partners meeting on the 11th so there would be no problem with starting early. This would give you time to have your executive meeting in the afternoon.

Eric

I have not heard anything from EPA. I will send Chip any email inquiring about a final date and time. I am going off memory here, but didn't Exec want the Milestone meeting set for late-morning or afternoon so we could meet with the LWG senior managers on the same day? Jim.

Chip, Eric -

Any news of the Milestone meeting? LWG may be scheduling another meeting to coincide, so any additional details you have would be appreciated.

Thanks!

Subject: timing of Milestone meeting?

Chip, Eric -

I just wanted to confirm that February 12 was an acceptable date for most LWG Senior Managers. Do you have any additional information on the timing of the Milestone meeting - especially the start time and estimated duration?

thanks
Valerie
